SAFE BOATING NIGHT

AT PNC PARK!

Promote SAFE BOATING WEEK!

Join us at PNC Park, Friday, May 18th, 2018, for the start of National Safe Boating Week! The Congested Waterways Committee and Port of Pittsburgh Commission are working with the Pittsburgh Pirates to support safe boating practices, such as maintaining a navigable channel, sharing the rivers, and wearing a life jacket, all to promote a safe boating season in the Pittsburgh area.

Come early to the game, and check out our booths on Federal Street and inside PNC Park!

We hope to see you there!
